

## PARENT PAYMENT ARRANGEMENTS – 2026

Dear Parent/Guardian,

Nathalia Secondary College is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support.

Within our school this support has allowed us to provide an enriched learning and teaching program for every student and is highly valued by our school community. The commitment from parents to contribute benefits students and results in improved achievement outcomes, wellbeing and engagement in learning. At Nathalia Secondary College our aim is for students who attend our school to develop a love for learning that will set them up for successful participation in tertiary education and structured training (apprenticeships and traineeships). We offer a broad range of learning outcomes that rival other schools and work in close partnership with St Mary of the Angels College to boost the capacity of our Senior School Program.

Please find attached Nathalia Secondary College's voluntary financial contributions schedule for 2026. The total amount per student is \$250.00.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.
